W.P.(C).No.20682 of 2007

Dated this the 5th day of July, 2007

The petitioner seeks completion of the revaluation of his B.Com. answer papers for which the petitioner has filed Ext.P3 application. The petitioner complains of delay in completing the revaluation process. According to him, the last date for submitting applications for M.Com. is 21.7.2007 and therefore, the respondents may be directed to complete the revaluation process before that date. However, the learned Standing Counsel submits that the University would require at least two more months' time to complete the revaluation process since the application itself is only dated 27.6.2007.

2. After hearing both sides, I am not satisfied that the University would require two months' time to complete the revaluation process.

In the above circumstances, this writ petition is disposed of directing the respondents to complete the revaluation process for which the petitioner has filed Ext.P3 application, and publish the results thereof, as expeditiously as possible, at any rate, within one month from the date of receipt of a copy of this judgment.

Writ petition is disposed of as above.
